

**COVID INFORMATION**  
**FROM MONDAY 19<sup>TH</sup> JULY**

**Face Masks**

Face masks are no longer a legal requirement, but we encourage the use of these by customers and staff, particularly in indoor areas.

**QR code check-ins**

Even though it's no longer a legal requirement, the Government is urging us to encourage customers to keep checking in via the NHS QR code.

**Hand Sanitiser**

We encourage our customers and staff to continue to wash their hands or use hand sanitiser frequently.

**Turning people away who appear sick**

For the safety of our customers and staff, we reserve the right to turn away anyone who we feel appear to show symptoms of COVID-19.

We know everyone is fed up with the restrictions now but they are there to keep us all safe. Unfortunately, we're not in the clear just yet so hope you'll stick with them just a bit longer!

**If you have any concerns, please speak to a member of staff.**

**Thank you for your understanding.**
